1. What, in your view, were the strongest features of this course?

   Of course, the performance aspect. How malleable the course teachings are.

2. What features of this course, in your view, need improvement?

   The time. I wasn't a fan of the 50 minute time slots.

3. What, in your view, were the instructor's most positive characteristics?

   He goes above and beyond to help his students out. Dedicated. He helped me to craft awesome performances. He knows the tools it takes to succeed.

4. What characteristics of the instructor, in your view, require improvement?

   Getting his PhD so he can teach more classes, so I can take them.
