1. What, in your view, were the strongest features of this course?
   When we practiced for our presentations performances and DJ gave us feedback & other ideas to help us do better during the real thing

2. What features of this course, in your view, need improvement?
   2 longer classes rather than 3 short ones

3. What, in your view, were the instructor's most positive characteristics?
   He was very upbeat, friendly, interesting - kept me interested in the class and motivated to actually come.
   You can also tell he knows his stuff about performance he's not just teaching from a book but also from experience.

4. What characteristics of the instructor, in your view, require improvement?
   None, I've enjoyed teacher so far!
